

We invite you to become a patron of Oxford Welsh Male Voice Choir

We rely on our patrons, not just for their invaluable financial support but also for their presence at our concerts and other events and for the wonderful work they do to promote the choir around Oxfordshire and beyond.

Maintaining a choir of the reputation and standard of the Oxford Welsh is costly. We pay for our highly professional music team, rehearsal premises, music, uniforms and sundry other expenses. We are registered charity.

Our financial year runs from September to August but we invite our new friends to become patrons now. Your subscription will then not require renewing until September 2019.

For a minimum subscription of £30 per person (or £50 per couple), we offer:

- o A free ticket to either our Autumn or Spring Concert
- o Reserved seats at all concerts
- o A free glass of wine at our Autumn concert
- o Invitations to special events and social activities
- o Opportunities to join the choir at massed choir and other 'tour' events.

If you prefer not to become a patron, we would also welcome one off donations to choir funds.

Many thanks
